Are you looking for a world class education from top universities in the US? Southern New Hampshire University from the US has opened applications for admission to new students for its innovative, online Bachelors degree in Communications and Bachelors degree in Management to start classes at Kepler Campus in Kigali, Rwanda starting February 2023.

Kepler in partnership with Southern New Hampshire University is offering innovative, online, US-accredited bachelor’s degrees in Business Management and Communications. The journey at Kepler begins with a foundation program that focuses on key basic skills; English language, technology, critical thinking and professional competencies; students acquire core skills to drive success in class and at work. After this, students enroll for their degrees and take additional modules to make them ready for the job market. Our career services ensure students secure gainful employment. Join us today!

DEGREES OFFERED

Bachelor of Arts in Management

The BA in Management allows students to learn to plan, direct and coordinate the operations of organizations as they prepare to advance and excel in management roles. Concentrations are available in Insurance Services, Logistics & Operations and Public Administration.

Bachelor of Arts in Communications

The BA in Communications degree is designed using insights from workforce and industry leaders on what communications skills are essential for today’s people-oriented professionals. Concentrations are available in Business and Healthcare.

Admissions Criteria

- Two principal passes in National Examinations for Rwandan applicants and an equivalent for international students
- Secondary/high school scores (S4, S5 & S6)
